FALL 2018
COMMENCEMENT

WHAT WE [ACHIEVE] CHANGES THE WORLD.
Guidelines for Graduates and Guests

Cooperation Requested: The audience may not enter the graduate seating or stage areas at any time during the commencement ceremony. Professional photographers will be taking individual pictures of all graduates, so friends and family are asked to remain in their seats, relax, and enjoy the ceremony.

Commencement Photographs: Graduates who signed up on graduation.unm.edu ahead of time will receive a free proof of their photo in the mail five to seven days after the ceremony. For more information, contact Grad Images by visiting gradimages.com or calling (800) 261-2576.

Commencement Videos: A video of the ceremony will be available online at (graduation.unm.edu). The ceremony will be livestreaming at graduation.unm.edu for those unable to be present.

Diplomas: Unless a student has requested that their diploma be held for pick up, the Office of Records and Registration will mail diplomas after final grades have been received and recorded. Expect diplomas to be mailed out 4-6 weeks after the ceremony. If you have questions about your diploma, contact the Office of Records and Registration at (505) 277-8900 or by emailing degrees@unm.edu.

First Aid & Lost and Found: First Aid and Lost & Found are located on the southwest corner of the Arena. After the ceremony, found items will be turned in to the UNM Police Department in Hokona Hall located on main campus.

Flowers: Flowers are available for purchase from the Mortar Board Honor Society table on the east concourse of the arena.

Locating your Graduate: In the program, graduates are listed in alphabetical order under their respective degrees. Refer to the table of contents to find the correct degree section.

In the seating area, doctoral degree candidates are seated on the right side of the center aisle. Master’s degree candidates are seated on the left side of the center aisle. For Undergraduate degree candidates: Arts and Sciences will be seated on the right side of the center aisle. All other schools and colleges will be seated to the left of the center aisle.

Special Accomodations: Seating for guests with special accomodations is available in sections A-G on the east side of the main concourse. There is no seating available on the floor for guests. No exceptions. The stage is equipped with two 16-foot video screens, signed-language interpreters will be present and visible on the screens.

The laws of New Mexico provide for a Board of Regents that is responsible for the governance of the University of New Mexico. The Board’s power to govern the University includes fiduciary responsibility for the assets and programs of the University, establishment of goals and policies to guide the University, and oversight of the functioning of the University.

The board is comprised of seven members who are appointed by the Governor of New Mexico, with the consent of the Senate, for staggered terms of six years. A student regent is appointed for a two-year term. The Governor and the Secretary of Education are designated as ex-officio, non-voting members. The presidents of the Faculty Senate, Staff Council, Associated Students of UNM, Graduate and Professional Student Association, Alumni Association, Parent Association, Retiree Association, and UNM Foundation are non-voting advisors.

Message from the President

Congratulations, Class of 2018!

On behalf of the entire University of New Mexico community, we are proud to honor your achievements today. We call this celebration a “commencement” because the word means “a beginning or start.” This new beginning signals the end of one path, but it is also the start of lifelong opportunities for adventure and success. Commencement is a tradition that marks the intersection of the past and the future. In New Mexico, we know the value of traditions. Our rich culture is founded on the wisdom that has been handed down from our elders, and is our legacy from all the individuals who have strived to make their way in this rugged, beautiful land. Our traditions keep us connected to the lessons of the past. Our traditions are also the launch pad for our future. Today, as we honor your accomplishments as graduates of the University of New Mexico, we are celebrating your endless possibilities. Great universities foster discovery in every discipline. At UNM, we wish to give our graduates the courage and wisdom to ask challenging questions and the perseverance and skill to discover the answers. As you look ahead, I hope you will apply that spirit of inquiry in all aspects of your life.

In times of uncertainty and turmoil, remember that your education has prepared you to take on the world. I hope you will build on all that our University has given you. You can take knowledge to new heights. You can dare to imagine, then realize your greatest dreams. You can make a better world, a better community, a better family, and a better self through the power of your education. Again, congratulations!

Always remember that you have a home here at the University of New Mexico. You are part of the pack.

Go Lobos!

Keynote Address

Judith K. Nakamura, Chief Justice of the New Mexico Supreme Court

Chief Justice Judith K. Nakamura graduated from the University of New Mexico with a Bachelor of Arts degree in political science in 1983 and obtained her Juris Doctorate from the UNM School of Law in 1989. After nine years of practice in both the public and private sectors, she successfully ran for a position on the Bernalillo County Metropolitan court where she served for fifteen years including eleven years as the court’s chief judge. Her efforts as chief judge to improve court processes and implement programs to better serve the public received both local and national attention. During her tenure on the court, she was named Judge of the Year by the Albuquerque Bar Association, received the University of New Mexico’s Zia Award for distinguished alumni, and was the recipient of the National Mothers’ Against Drunk Driving President’s Award for her efforts to reduce DWI.

Judge Nakamura was appointed to the Bernalillo County District Court in 2013 and presided over criminal cases until 2015 when Governor Susana Martinez, upon recommendation of the nonpartisan Judicial Nominating Commission, appointed her to the Supreme Court of New Mexico. Her appointment gave the Court its first female majority. She was elected to serve as Chief Justice by her colleagues in January 2017 and was sworn-in on June 7, 2017 becoming only the fourth woman to serve as Chief Justice in the Court’s one-hundred and three year history.

Chief Justice Nakamura currently serves as 2nd Vice President of the National Conference of Chief Justices, is an active member of the University of New Mexico’s Alumni Board, an avid hot air balloon pilot, and a volunteer member of the Albuquerque International Balloon Fiesta’s Board of Directors.

Vocalist

Jose Carrillo, Bachelor of Music Education

Jose Carrillo was born in Zacatecas, Mexico and is one of 13 children. Carrillo moved to Albuquerque in 1991 when he was a teenager. Carrillo has been a professional mariachi musician since 1995 and has been an instructor at the Albuquerque Mariachi Spectacular conference for the last 18 years.

After becoming a United States citizen, Carrillo decided to pursue academia. In 2013, he enrolled at The University of New Mexico and obtained his GED from UNM's High School Equivalency Program (HEP). Carrillo is a true testament that it is never too late to achieve goals in life. At 43 years of age and almost six years late, Carrillo exemplifies dedication.

Carrillo is grateful to all the UNM professors, fellow students and friends who helped him achieve his dream of becoming a music teacher.
Chester “Chet” French Stewart graduated from Wheaton College in 1962 and then served in the military for two years. He moved to Albuquerque in 1964 at the request of his grandfather, Chester T. French, to join the family business, French Mortuary. His grandfather sold him one-third interest in the business and gave him an option to purchase the other two-thirds.

During his first year in Albuquerque he met and fell in love with a beautiful University of New Mexico student, Diana Key, and they were married August 20, 1965. Following another year of school (required for Chet to become licensed), they returned to Albuquerque in September 1966. Three weeks later his grandfather died and suddenly, at the age of 26, Chet had the responsibility of running the family business.

Diana and Chet were greatly influenced by his grandfather who believed that a life full of joy came from a life of generous giving. He often said, “if you live in a community, you should give back and think of ways to make it a better place to live.” He was a great role model and because of his great example, the Stewarts have espoused generosity to the community for more than 50 years.

The Stewarts have three sons, Rich, Bill, Rob and Marcus Goodloe, whom they consider their fourth son. Rich, Bill and Marcus are UNM graduates, and have received great educations for which they are very grateful.

Because of their love for UNM, the Stewarts have contributed to the community in numerous ways including funds for student scholarships, the UNM Cancer Center, UNM Children’s Hospital, and Presidential Scholarships. They are huge Lobo fans and have provided funds to benefit Lobo Athletic teams for many years.

They have also contributed to many organizations in our state, including but not limited to: United Way, Albuquerque Community Foundation, Grief Resource Center, Special Olympics, Rotary del Norte Foundation, their church, Young Life, CRU, Faith Comes by Hearing, Victory Outreach, the Rock at Noonday, Koach Financial Ministries, Opera Southwest, ACCION, ARCA, WESST and Mandy’s Farm.

Together, the Stewarts were recognized by National Jewish Health receiving the Spirit of Achievement Award for community service. Because of their desire to have an impact on others, they have hosted a large number of local leaders for the Global Leadership Summit, and also have hosted many individuals and couples for the Generous Giving event each year.

Diana has served as a group leader for Bible Study Fellowship and has taught children in Sunday School for many years. Chet was CEO of FRENCH Funerals & Cremations for 41 years and currently serves as Chairman Emeritus. He served as president of the NM Funeral Service Association. He was elected to serve three terms on the Governing Board of T-VI (now Central New Mexico Community College), the last term as chairman. He has also served as chairman of the Better Business Bureau, and co-chairman of the United Way’s, Alexis de Tocqueville Society.

Chet was inducted into the Silver Horizons Senior Hall of Fame and the Junior Achievement Business Hall of Fame and received the Humanitarian Award from the JCC of Greater Albuquerque. He received the Distinguished Service Award from the New Mexico Funeral Service Association.

Diana and Chet know that God has blessed them, their family and their business far more than they deserve or even expected. They also know that they have benefited greatly by living and serving in a wonderful place they love so much – Albuquerque, New Mexico.
Faculty Honor Processional

Our faculty have contributed their vast knowledge and expertise to countless others over the years at the University of New Mexico. They have provided a foundation of learning and values central to the realization of many dreams, as well as a source of inspiration and continuity. Those contributions will surely be felt by students and this university for years to come. The entire university community commends all members of our faculty.

Dissertation: Carrier dynamics in high-speed III-nitride light-emitting diodes for visible-light communication

Abigail Leigh Reese — Nursing
Dissertation: Trying to Cover the Sun with Your Thumb: A Critical Ethnography of Maternity Care Provision in Rural Northern New Mexico

Zhixiang Ren — Optical Science & Engineering
Dissertation: Improve the low energy sensitivity of the HAWC Observatory

Abigail Gloria Robertson — English
Dissertation: Holy Body, Holy Place: The Veneration of St. Swithun, from the Old Minster to Winchester Cathedral

Charles S Robinson — Psychology
Dissertation: Neural and Behavioral Associations of Dreaming and Psychomotor Processing

Matthew N Rush — Nanoscience & Microsystems Engineering
Dissertation: Chemically Modified Monolayer Surfaces Influence Valvular Interstitial Cell Attachment and Differentiation for Heart Valve Tissue Engineering

Ciaran Ryan-Anderson — Physics
Dissertation: Quantum Algorithms, Architecture, and Error Correction

Chelsea A Saito-Reis — Biomedical Sciences
Dissertation: The Tetraspanin CD82 Regulates Hematopoietic Stem Cell Fitness and Bone Marrow Retention

Melissa Catherine Sanchez — Biology
Dissertation: Towards A Better Understanding Of The Effects Of Praziquantel On The Interaction Between The Helminth Parasite Schistosoma Mansoni And Its Murine Host

Mark Randall Scherbarth — Engineering

Eric Smith — Biology
Dissertation: Avian Thermoregulation in the Heat: Resting Metabolism, Evaporative Cooling and Limits on Activity in Sonoran Desert Birds

Victor Monroe Stone — Engineering
Dissertation: Frequency Domain Decomposition of Digital Video Containing Multiple Moving Objects

Helen M Tafoya — Counselor Education
Dissertation: Experiences Of Western Clinical Practice And Traditional Mexican American Healing When The Provider Is The Same Person

Zahra Taghipour — Optical Science & Engineering
Dissertation: Vertical Transport Study of III-V Type-II Superlattices Superlattices

Jessica A Weber — Biology
Dissertation: Genomic signatures of adaptive evolution.

Yongyi Wei — Chemistry
Dissertation: Development of Functional Chemical Probes for the Study of Viscosity, Fe(II), and Ferroptosis and Photo-triggered Drug Delivery

Karen W Wright — Biology
Dissertation: The Evolution of Diet Breadth in Melissodes Bees (Apidae:Eucerini)

Zhen Zhang — Chemistry
Dissertation: Synthesis, Characterization and Application of Structurally Diverse Poly(chalcogenylene vinylene)

REQUIREMENTS COMPLETED, SUMMER 2018

Katherine Marie Alexander — English
Dissertation: Enough of Thought, Philosopher! Emily Bronte’s Interrogations of Death

Ayasha Arefin — Nanoscience & Microsystems Engineering
Dissertation: Biengineering of an in vitro Microphysiological Human Alveolar Model

Robert Bailey — Psychology
Dissertation: Development Of The Pain Response Style Inventory: A New Measure For Examining Ambivalence Toward Engaging In Behavioral Treatments For Chronic Pain

Ian Roy Beaver — Computer Science
Dissertation: Automatic Conversation Review for Intelligent Virtual Assistants

Behsan Behzadi — Optical Science & Engineering
Dissertation: Novel Compact Narrow-linewidth Mid-Infrared Lasers for Sensing Applications

Umesh Bhattarai — Chemistry
Dissertation: Developing more specific mirRNA biogenesis inhibitors to get effective regulation of miRNAs
Genevieve Frances Ebert Birren — Physical Education, Sports and Exercise Sciences
Dissertation: An Analysis Of The Results Of Court Of Arbitration For Sports Doping Awards Involving Athletes Between 1994 And 2008

Bryn Campbell — Spanish & Portuguese

Dissertation: Pre-Boomer Students On Campus: An exploratory study of how students born before 1946 experience the youth-oriented campus culture at UNM

Cyler Norman Conrad — Anthropology
Dissertation: Mainland Southeast Asia in the Longue Durée: A Zooarchaeological Test of the "Broad Spectrum Revolution" in Northern Thailand

Jacqueline Alexandria DeLora — Biomedical Sciences
Dissertation: Developing droplet-based 3D cell culture methods to enable investigations of the chemical tumor microenvironment

Kurt Anthony Escobar — Physical Education, Sports and Exercise Sciences
Dissertation: Autophagy is stimulated by acute high intensity interval exercise in human skeletal muscle and electrical pulse stimulation in C2C12 myotubes in vitro

Aurora Fabry Wood — Engineering
Dissertation: Compartmentalization of DNA-Based Molecular Computing Elements Using Lipid Bilayers

Hasan Mohammad Faisal — Engineering
Dissertation: Understanding Asphalt Concrete Aging Using Nanoindentation

Farzin Farzam — Optical Science & Engineering
Dissertation: High-Throughput Automated Multi-Target Super-resolution Imaging

Jeanine M Forsythe — Counselor Education
Dissertation: Teaching Problem Solving Therapy to Alleviate Depression and Anxiety: A Focus on Caregivers for Intellectually Disabled Adults Who Reside in a Community Setting

Noha Mohamed Ghali — Language, Literature & Sociocultural Studies
Dissertation: International Muslim Students within a Globalized Educational Context

Levi Gray — Biology
Dissertation: Understanding patterns of diversity and evolution of mainland Anolis lizards

Kylene J Hagler — Psychology
Dissertation: Drinking Norms and College Student Alcohol Outcomes: Systematic Review and Meta-Analysis

Laura Hirrel — Linguistics
Dissertation: Cyclic Gestures and Multimodal Symbolic Assemblies: An Argument for Symbolic Complexity in Gesture

Mark Edward Holland — Earth & Planetary Sciences
Dissertation: Refining models of crustal growth and evolution in southwestern Laurentia with paired U-Pb and Lu-Hf analyses of igneous and detrital zircon

Rebecca L Izzo-Manymules — Educational Psychology
Dissertation: American Indian Student Motivation at a Tribal College

George Jacob — Special Education
Dissertation: The Support Needs of First Generation Immigrant Families with Sons and Daughters with Disabilities

Amirhossein Jafari — Engineering
Dissertation: A Decision-Making Framework for the Selection of Sustainable Alternatives for Energy-Retrofits

Eric Karikari — Communication
Dissertation: Negotiating Culture in Africa: A Critical Analysis of Organizational Discourse in Ghana

Commissions

The Reserve Officer Training Corps, ROTC, commissions officers into the United States Armed Forces to serve the nation in Active, National Guard, or Reserve units. Since World War I, ROTC has produced the majority of our nation's military leaders. The concept of training and commissioning the military's junior leaders at colleges and universities across the country has become an integral part of providing our nation's military with well rounded, educated officers. ROTC students experience a traditional college life while also receiving leadership and military training. UNM is one of the few schools in the nation to have all four military services represented on campus.

Graduate Distinctions

Distinction is awarded to recognize exceptional performance of graduate students who pass the master’s examination, final examination for the master’s thesis, doctoral comprehensive examination, M.F.A. comprehensive examination and/or final examination for the doctoral dissertation. This status is determined at the time of the examination through agreement of the examining committee members, with final approval given by the department chairperson.

National Hispanic Scholars

The National Hispanic Recognition Program was initiated in 1983 to identify outstanding Hispanic/Latino high school students and to share information about students with interested colleges and universities. In order to be eligible, students must be at least one quarter Hispanic/Latino as defined by the NHRP, meet the minimum PSAT/NMSQT cutoff score for New Mexico, and achieve a minimum grade point average requirement.

Veronica Gualeni
**Phi Beta Kappa**

Phi Beta Kappa, the oldest national scholastic honorary, was established in 1776, and the University of New Mexico chapter was founded in 1964. Requirements for election to membership include a minimum of 90 hours of graded courses, distributed among those subject areas regarded as the Liberal Arts, with a grade point average of 3.5 or better.

Maria Jones  
Chelsea Kaban

**Phi Kappa Phi**

Phi Kappa Phi, founded in 1897, is a national honorary society which recognizes outstanding scholarship in all academic disciplines. The University of New Mexico chapter was founded in 1916 and membership is awarded only to students with the highest scholastic standing.

**Ronald E. McNair Scholars and Research Opportunity Scholars**

The McNair Scholars Program and the Research Opportunity Program prepare promising first-generation and low income and/or underrepresented students for graduate school with the eventual goal of earning a doctorate. The McNair Program is federally funded and ROP is state funded, with all scholars participating in the same two-year, academically rigorous preparation including the completion of a faculty-mentored research project. Scholars from McNair/ROP programs have earned graduate degrees in more than 80 universities nationwide and that number continues to grow each year.

**UNM Presidential Scholarship**

For the past thirty years, Presidential Scholarships have been awarded to graduates of New Mexico high schools who come directly to the University of New Mexico to commence undergraduate education. Presidential Scholarships are funded by contributions of individuals, corporations, alumni, faculty, staff, and the University’s Hugh Woodward Trust Fund. The Scholars receive their award for four consecutive years if academic standards and full-time progress toward a degree are maintained. The University is pleased that the Presidential Scholarship Program has attracted some of New Mexico’s finest students to the campus.
